

Sponsored Read-A-Thon

14th Feb - 27th March

Top classes in three
categories win a
class prize!

Each child sets a goal with their parent/carer to read as many books, or minutes reading, over the six week period. Family, friends, or neighbours pledge donations for their efforts, with all proceeds helping to fund a new sensory garden for all children to enjoy! Keep a log of all books your child has read, and how long you read for. Submit your totals at the end of the Read-A-Thon, and each class (three in Reception & KS1 and three in KS2) will be in with the chance to win a class prize!

- Top class for number of books read
- Top class for number of hours spent reading
- Top class for the amount of money raised

Sponsorship can be made by cash or by card (on our website), and all UK tax payers who donate can opt to Gift Aid their donation to add a further 25%!

Further details and forms will be sent home from school.
